

## Briarwood Home Owners Association (BHOA)

### **NOVEMBER** 2018 Secretary's Report

1. Annual dues invoices were mailed, payments have been received. Thank you to all who have already paid.
2. The time is coming near for a BHOA membership meeting. This is a perfect opportunity to address the full membership with any topics or concerns. Historically, we have never matched the attendance numbers that we achieved on our first official BHOA meeting, lets improve attendance this time.
3. Landscaping payment was made; deposits were made. Account balances as of 30 October 2018 was \$3,916.43 in checking and \$12,011.74 in savings.
4. The executive committee is consistently engaged in the topic of improving the impoverished appearances of the upper neighborhood. This is a perpetual activity for both the City of Georgetown and anyone else who is concerned with property values. Your participation in this activity is important. I would like to provide some contact information for you.
5. To report any issue with the City of Georgetown, there is a "Report an Issue" form that has a direct link. It is a very nice form that has options to be anonymous, or not be anonymous, and pictures can also be attached. The best format would be "not anonymous" and attach a photo of the ie: mattress laying in the road for three days. The "Report an Issue" form creates a "paper trail" to be referenced at a later date if needed. You can also specifically email the City of Georgetown Code Enforcement Department.

*Report an Issue is at:*

<https://records.georgetown.org/Forms/SubmitIssue>

*There are several places to click on this link on the City of  
Georgetown website*

*and*

*Email for the City of Georgetown Code Enforcement is:*

[codeenforcement@georgetown.org](mailto:codeenforcement@georgetown.org)

Thank you,  
Alan Kietzer  
Secretary, Briarwood Homeowner Association  
(956) 874-3555
